**A PRAYER FOR COVID-19**

For those suffering or quarantined because of the Coronavirus, all who care for them, and for all who are especially vulnerable to its spread. For those working and learning from home. For those furloughed and unemployed. For those suffering from loneliness and anxiety.

**A PRAYER FOR RACIAL RECONCILIATION**

O God, in whose image the whole human family was created, we pray for an end to racism and prejudice throughout our country and the world: We pray for all whose lives have been forever altered by racial violence, for those whose cries for justice and equality have gone unheard for far too long. We pray for all who work for justice and change that they may be empowered by your Spirit. We pray for ourselves and for the Church, that we may be freed from the sins of racism division and blindness. Break down the walls that separate us, restore us in your image to be your beloved community, and strengthen us to carry your love into the world in new and healing ways. Move our hearts to be united in our diversity, even as you are one with Christ and the Spirit, Holy and undivided Trinity, now and for ever. Amen.
